NOTICE OF COMPLETION - DRAFT ENVIRONMENTAL IMPACT REPORT (EIR)

Project Title and Number: Richmond Bay Campus 2014 Long Range Development Plan
State Clearinghouse Number: 2013012007
Location: 1301 S. 46th Street (Richmond Field Station) & 3300 Regatta Blvd in the City of Richmond, California
County: Contra Costa

Project Description (including project site):

The University of California (UC) proposes to establish a new major research campus at properties it owns in Richmond, California for development of new research-related facilities. UC Berkeley and UC Lawrence Berkeley National Laboratory would develop and operate these new campus facilities. The proposed 2014 Long Range Development Plan (LRDP) for the Richmond Bay Campus (RBC) would guide campus development through 2050.

This letter will serve as a transmittal for fifteen (15) copies of the Draft Environmental Impact Report (EIR) dated November 15, 2013, for the above-named project. This submittal is pursuant to the State CEQA Guidelines issued by the Office of the Secretary for Resources for compliance with the California Environmental Quality Act. Copies of the Draft EIR and all documents referenced therein are available for public review on-line, through publicly circulated documents and CDs, and at the local public libraries listed below.
